## **\*\*FURTHER URGENT STRIKE UPDATE\*\***

We regret to inform you that we have been updated and advised by the Port of Felixstowe that the Unite trade union negotiators have walked away from further pay negotiations and, as a result, the Port have now removed all VBS bookings during the period from 21<sup>st</sup> to 29<sup>th</sup> August.

This action represents an important change by the Port, who had previously hoped to have enough staff available to at least operate at a reduced capacity and means that currently there will be no access to the Port for any haulage/deliveries/loading/unloading.

We will endeavour to keep you updated as promptly as possible, but please note the above and try and manage the expectations of your customers, as there are likely to be delays to all container deliveries from now as well as during the immediate aftermath of the strike and the Port will have a large backlog.

We here at Beckchoice will do everything we can to manage the elements of the situation that are under our control to minimise the effects on you, our customers.

**Thanking you in advance for your patience and understanding at this difficult time.**
