Ever Given Update

Dear Valued Customers,

Further to our last update at the beginning of June regarding the “Ever Given”, here is the latest news we have received.

“The Owners of the vessel are still engaged in negotiations with the Suez Canal Authorities (SCA). Although the details of these negotiations are kept confidential by the Owners and the SCA, discussions are reported to be constructive.

In that respect, we have been informed that both parties requested a further adjournment of the proceedings to allow negotiations to continue. Consequently, the Court of 1st instance of Ismailia Economic Court has agreed yesterday to further adjourn the case until 4th July 2021.”

We will keep you posted of any further developments as soon as we receive them, and we take this opportunity to remind you of the ongoing General Average procedure and the fact that cargo will not be released to you until all of the shipping lines receive approval from the GA Adjuster. We therefore encourage all cargo interests to provide GA security as a matter of priority.

This notice is given strictly without prejudice basis and all Beckchoice Limited’s rights are reserved.

We will continue to closely monitor this situation and bring you further updates as we hear them.

Take care and stay safe.

With kind regards
Beckchoice
